Programme on kidney care held
TIMES NEWS NETWORK

Mangaluru: On the occasion of World Kidney Day on Thursday, Kasturba Medical College Hospital organised an awareness programme on kidney health. The event featured a panel consisting of three senior doctors and transplant coordinators who talked about the importance of maintaining healthy kidneys and the various treatment options available for kidney diseases.

The panel also conducted an awareness session on the mode of registering for a kidney transplant. Live testimonials were given by patients who had undergone kidney transplants at the hospital and they shared their experiences after the transplant.

The event concluded with a felicitation ceremony for the families of cadaveric organ donors. Nephrologists Dr Sushanth Kumar, Dr Ashok Bhat, and Dr Mayur Prabhu; transplant coordinators Aruna Malilya, Vivet Soares, and Jeeva Sarthakate, social workers Laveena D'Souza and Padma Venur, were part of the expert panel.

Saghir Siddiqui, regional chief operating officer, KMC Hospital, said "We are proud to celebrate 20 years of Nephrology services at the hospital. We have done more than 6,000 kidney biopsies till date and service 2,250 dialysis sessions per month. We also regularly perform advanced procedures like tunneled dialysis catheterization and fistuloplasty. We have been the first to conduct a state government-sponsored pilot on Peritoneal Dialysis, and to offer the DNB programme in Nephrology."
